for comfort

Your Office Will Never Be The Same!

HQ 24 West 39th Street New York City, NY 10018 Tel: 888.442.8242

Serving the Nation: NY | Boston | Atlanta | Miami | Tampa | Washington DC | Virginia | Philadelphia | Denver | San Diego | Dallas | Houston | Los Angeles | Chicago

Malaga offers seating for office environments where one chair series can accommodate a broad range of users and work activities.

multi-tilt

Malaga's superior multi-tilter provides continuous ergonomic comfort & support for multi-task and dedicated computer use.

3141-3
Low Back Multi-Tilter

3140-3
High Back Multi-Tilter

3141-2
Low Back Knee-Tilter

knee-tilt

Malaga's knee-tilt mechanism is perfectly suited to today's work environment where each chair can be shared and frequent seating adjustments are required.

synchro-tilt

The future of seating today. Exclusive Push Button control system, all at your fingertips! Malaga™ takes high-tech ergonomics to the next level with button technology. Button controls are user friendly, conveniently located and easy to reach. As a result, users are more likely to adjust their chair – a necessity to promote comfort, encourage movement, minimize muscle fatigue and skeletal injury.

Malaga offers seating for office environments where one chair

drafting

Malaga’s superior styling, teardrop shaped, height adjustable arms, and European details provide a contemporary expression within the workplace.

3142
Armchair

optional
back shroud

3140-4
High Back Tilter with polypropylene
back shroud (optional). Offers additional
durability for heavy use applications.

3149-6
Low Back Drafting

3148-6
Low Back Drafting

Malaga drafting chairs are an excellent choice for technical environments where the seat height must be raised to correspond to a higher work surface.

Synchro Tilter
Back and seat move in a two-to-one ratio. Can be locked with tilt-lock control. Tilt tension control.

Multi-Tilter
Independent, infinite back angle adjustment. Infinitely adjustable seat angle with forward and rearward incline. Sliding seat depth adjustment. Infinite position tilt-lock.

Knee-Tilter
Infinite back angle adjustment with infinite tilt-lock. Tilt tension control.

Operator
Single lever/button seat and back angle adjustment. Seat and back adjust independently and lock in any position or free float.

Posture
Infinite back angle adjustment. Seat/back height adjustments.

Task
Seat depth adjustment.

Features

Other Malaga features include standard upholstered back shroud, contoured molded foam seat, height adjustable self-skinned urethane arms and a spider base.

Height Adjustable Arms
Height adjustable arms are standard on all arm models. Many optional arms are offered.

Seat Slider (MD)
Standard on Multi-Tilter Adjustable seat depth allows users to change the seat depth to accommodate the length of their thighs.

Vari-Width (WA) Arms
Width adjustment is standard on all arm models. Provides 2" horizontal arm space adjustment.

Ratchet Back
Newly designed ratchet back provides a smooth 2.5" height adjustment for effortless adjustability on most models.

Double Radius Back
European-styled, generously proportioned upholstered back with built-in lumbar support provides superior style and support.
