1. At first screen, Arrow buttons in closed section need to be face down like 

2. SUBTOTAL -
1) ALL sections need their own subtotal. ONLY items in that section should apply to that specific subtotal. Final result, ALL subtotals add up to the GRAND total at the bottom.

2) Like you have with "Chairs", leave Subtotal lines visible when the group is folded

3. Change text from 'Room type' to 'Category' Also, please do it in admin side too.

Subtotal			

1. Subtotal - I mentioned it on 1st page

2. REMOVE that text 'Budget' in every popup

3. In this section doesn't need prior entering Qty in above section. (now I can't put Qty to this section if i don't put any qty to above section)

4. Need 'Min Sq Ft' sub total

5. This section stretch out weirdly in Chrome(and Mobile)

6. Need to align text 'Subtotal' center

7. Need text in each field

8. Print button brings email popup window

9. "Customized Furniture" and "Service & Fee" sections : Remember how we said we wanted these to look aligned? Can you spot all the ways that it is not aligned

> "Qty" boxes for custom & service, should be EXACTLY like the one for Chairs
> description/text area should be exact same width as the "category" column
> Min Sq Ft box, exact same column as those above...
> Unit Price, align under "Mid-Range"
> "Total", align under "High-End"
> All "Subtotal" texts, should be in the exact same spot vertically

10. REMOVE that column 'Dimension'

#9, 10 should be look like this
